15 Respondent.

16 Complainant alleges:

17 **PARTIES**

18 1. Louise R. Bailey, M.Ed., RN ("Complainant") brings this Accusation solely in her
19 official capacity as the Executive Officer of the Board of Registered Nursing ("Board"),
20 Department of Consumer Affairs.

21 2. On or about April 19, 2004, the Board issued Registered Nurse License Number
22 636283 to Zhuven Siozan Pasaporte ("Respondent"). Respondent's registered nurse license was
23 in full force and effect at all times relevant to the charges brought herein and will expire on
24 September 30, 2011, unless renewed.

25 **STATUTORY AND REGULATORY PROVISIONS**

26 3. Business and Professions Code ("Code") section 2750 provides, in pertinent part, that
27 the Board may discipline any licensee for any reason provided in Article 3 (commencing with
28 section 2750) of the Nursing Practice Act.

1 4. Code section 2761 states, in pertinent part:

2 The board may take disciplinary action against a certified or licensed
3 nurse or deny an application for a certificate or license for any of the following:

4 (a) Unprofessional conduct, which includes, but is not limited to, the
5 following:

6 (1) Incompetence, or gross negligence in carrying out usual certified or
7 licensed nursing functions . . .

8 5. California Code of Regulations, title 16, section ("Regulation") 1442 states:

9 As used in Section 2761 of the code, 'gross negligence' includes an
10 extreme departure from the standard of care which, under similar circumstances,
11 would have ordinarily been exercised by a competent registered nurse. Such an
12 extreme departure means the repeated failure to provide nursing care as required or
13 failure to provide care or to exercise ordinary precaution in a single situation which
14 the nurse knew, or should have known, could have jeopardized the client's health or
15 life.

16 6. Regulation 1443 states:

17 As used in Section 2761 of the code, "incompetence" means the lack of
18 possession of or the failure to exercise that degree of learning, skill, care and
19 experience ordinarily possessed and exercised by a competent registered nurse as
20 described in Section 1443.5.

21 **COST RECOVERY**

22 7. Code section 125.3 provides, in pertinent part, that the Board may request the
23 administrative law judge to direct a licentiate found to have committed a violation or violations of
24 the licensing act to pay a sum not to exceed the reasonable costs of the investigation and
25 enforcement of the case.

26 **DEFINITIONS**

27 8. "Coumadin", a brand of warfarin sodium, is an anticoagulant (blood thinner) used in
28 the prevention or treatment of venous thrombosis, pulmonary embolism, atrial fibrillation, and
29 myocardial infarction. Coumadin interferes with blood clotting by lowering the liver's production
30 of certain clotting factors.

31 9. Prothrombin time (PT) is a blood test used to assess the clotting ability of blood; i.e.,
32 how long it takes for blood to clot. The PT test is also used to monitor the condition of patients
33 who are taking warfarin.

10. International Normalized Ratio (INR) is a laboratory test used to determine the comparative rating of a patient's PT ratio, used as a standard for monitoring the effects of warfarin.

b. Respondent administered Coumadin to the patient without questioning the physician's orders even though the patient was concurrently receiving other medications, including aspirin,
